CALL FOR PAPERS

ABOUT THE CONFERENCE

ICITSM 2026 is a multidisciplinary international conference that brings together researchers, academicians, industry professionals and students to share innovative ideas and research in Information Technology, Civil Innovation, Science and Management. The conference provides a platform for technical presentations, keynote sessions, expert discussions and professional networking. It promotes interdisciplinary collaboration, industry-oriented research and practical solutions for technological advancement, sustainable infrastructure, scientific development and effective management. ICITSM 2026 welcomes original research papers, case studies and innovative applications. It aims to connect academia and industry, encourage knowledge exchange and contribute to a smarter, safer and more sustainable future.

ORGANIZED BY

TONTADARYA COLLEGE OF ENGINEERING

AICTE Approved, Recognized by DTE Karnataka, Affiliated to Visvesvaraya Technological University, Belagavi, NBA Accredited and NAAC Grade B, Mundaragi Road, Gadag, Karnataka - 582 101, India.

ABOUT THE COLLEGE

Tontadarya College of Engineering (TCE), Gadag, is a reputed engineering institution affiliated to Visvesvaraya Technological University and approved by AICTE. The college offers quality education in engineering, management, and applied sciences with a strong focus on academic excellence, research, innovation, entrepreneurship, and overall student development. TCE provides modern infrastructure, industry-oriented learning, and a supportive environment for students to build successful professional careers.

ABOUT THE DEPARTMENT

Centre for Entrepreneurship, Research and Innovation (CERI) is a multidisciplinary platform at Tontadarya College of Engineering (TCE), Gadag, dedicated to fostering entrepreneurship, promoting research excellence, and nurturing innovation. CERI empowers students and faculty to transform ideas into impactful solutions through research projects, startup incubation, product development, patents, industry collaborations, consultancy, and skill development programs, contributing to technological advancement and societal growth.
